

# Homeland Security Certificate

**Contact: Tobias Gibson**

Student's Last Name	First Name	Middle Initial
Advisor	Student ID Number	

The student who completes the Homeland Security certificate will have a strong background in understanding and analyzing current and future homeland security threats, and have developed necessary understanding of legal and policy processes regarding homeland security. By virtue of this certificate staffing, the student will also have had the opportunity to develop a network into Missouri's homeland security personnel and agencies. Finally, the student will have spent considerable time developing the ability to communicate orally and in writing, and have experience briefing policy makers.
