

CDW·G GETS IT

CDW·G is committed to providing Westminster students with easy online ordering and special pricing. As a key component of the Westminster Student Laptop Program, CDW·G provides dedicated account managers that will meet Westminster's specifications – providing the most complete mobile computing solutions on campus.

The CDW·G education account team leads the industry in service and product knowledge. We strive to provide you with the ultimate purchasing experience – focused on you. Your dedicated account manager will help you choose solutions to meet your specific needs. And CDW·G ships most in-stock items the same day you order. Just one experience and you will see that no one does it better than CDW·G.

The Westminster College Premium Page

CDW·G's Premium page for Westminster College, located at CDWG.com/Westminster, showcases a pricing agreement on an extensive selection of products. If you require any additional help with the CDW·G Premium Page website, please contact your CDW·G account manager.
