STATEMENT OF RESPONSIBILITY OF WESTMINSTER COLLEGE

We, the faculty and staff of Westminster College, will take the necessary steps to make Summer Session / Post-Term off-campus courses and trips educational, pleasant and safe. However, Westminster College believes that certain matters should be brought to your attention. The College shall not in any way be responsible or liable for any loss, injury, or damage howsoever caused or arising out of or in connection with this program. You will find the Parent Approval, Release, and Indemnification Agreement form attached which must be signed as indicated by the appropriate deadline. Unless otherwise stated with respect to any particular trip course, each trip will begin upon boarding the transportation at the city of departure and end upon boarding the transportation at the return city. If a student, with his or her parents’ or guardians’ express approval, arranges return transportation apart from the group, the trip will end when the student separates from the group.

It is possible that a student may experience a medical (or some other) emergency. We have, therefore, included a provision in the Parental Approval form mentioned in the above paragraph requiring parents to be responsible for monies advanced by the College for the benefit of their child in an emergency situation. We must necessarily leave to the discretion of the faculty sponsor in charge of the group the determination of when an emergency exists and the extent to which the College will advance funds for such an emergency.

Westminster College has no control over the means of transportation/traffic, hotel accommodations (or other accommodations as each trip requires) or other services, and the College shall not be or become liable for or responsible in any way whatsoever for any loss, injury, or damage howsoever caused or arising in connection with these matters.

Westminster College reserves the right to withdraw the program or any part of it, to make such alterations in the itinerary as it deems necessary or desirable, to refuse to accept or retain a member of the group at any time, and to pass on to the members of the group any expenditures occasioned by delays and/or events beyond their control.
STUDENT REGULATIONS

Students enrolled in Summer Session / Post-Term off-campus courses and trips are expected to exhibit personal and academic characteristics in keeping with the challenges and responsibilities of this opportunity. The College expects that each student’s social conduct will reflect positively on the College and on the other members of the group.

Depending on the particulars of each excursion, living and traveling in a country whose social economic, and political conditions are markedly different from our own can be exhausting and trying at times. Likewise, driving long distances as a group and camping / living in close quarters each night a long distance from home for more than two weeks under conditions markedly different than your daily life can be exhausting and trying at times. Students will be expected to be adaptable, tolerant and cooperative, accepting inconveniences and disappointments with patience and good humor.

Each student will be required to participate actively in all facets of the trip and lead the activities assigned to them by the faculty sponsor.

If, in the opinion of the faculty sponsor or Westminster College, any student’s continued affiliation with the course is deemed detrimental to either the program or the other members of the group, Westminster College reserves the right to expel the student from the program and return him/her to the United States or Fulton, Missouri (whichever is most appropriate) at his/her own expense. Such action will result in a complete withdrawal of all responsibilities of the appropriate authorities connected with the course.

APPLICATION AND DEPOSIT DEADLINES

Westminster students must register or confirm enrollment for a course during pre-registration in <INDICATE MONTH>. Applications and deposits will be accepted in the Business Office starting on <INDICATE DATE>, but no later than no on <INDICATE DEADLINE DATE>. Late registration for courses will be accepted at the discretion of the College, and, if accepted, a penalty of $50.00 will be required, unless the late registrant is a replacement for a student who has withdrawn.

GENERAL INFORMATION

Alternations in the program may become necessary. Westminster College reserves the right to initiate whatever changes may become necessary in the trip itinerary and cost quotations. Students and their parents will be promptly informed of major changes in itineraries and/or costs.

Students not in good standing, academically or otherwise, by two weeks prior to departure will be subject to cancellation. Cancellation refund regulations will apply.

Insurance coverage or travel-related insurance for this study excursion may be available on a limited basis. Participants who are interested in this coverage may wish to seek assistance from their individual insurance broker or the faculty member leading this course.
SCHEDULE OF PAYMENTS AND CANCELLATION REFUNDS

Financial arrangements and commitments for the Summer Session / Post-Term off-campus trips must be made well in advance of the departure date of <INDICATE DATE>. CANCELLATION AND WITHDRAWAL REFUNDS

Applications for refunds must be submitted to the faculty sponsor but will be governed by the following schedule in the event of cancellation or withdrawal regardless of reason.
