All Westminster students must register their motor vehicles with the Business Office within seventy-two (72) hours from the time the vehicle arrives in Fulton, even if they do not use Westminster owned parking lots.

This is to certify that my son or daughter's student account should not be charged the \$25 parking fee assessed this semester, as he or she will not have a vehicle in Fulton, Missouri this semester. I understand that this waiver must be completed by the third week of each semester.

I understand that should my child's status as a non-vehicle owner/driver change during the academic year, I will immediately notify the Business Office and make arrangements to pay the \$25 parking fee. I understand that the Parking Sticker Application is administered through the Business Office, which is located in WH, Suite 100. Failure to register a vehicle with the Business Office will result in a \$50 fine in addition to the parking fee.
