

Case Number 082107214512

A student expressed concern over the comedian that appeared in the Mueller Leadership Center the evening of August 18, 2007. The concern expressed was that the comedian violated several of our campus values in his performance. The student also expressed concern that this show was allowed to take place.

Response of the Intolerance Review Board:

1. The board thanks the reporting person for the report and their concern over the issues raised in the report.
2. The board recommends that anyone in the Westminster community who may have this concern consider bring the issue to the Student Government Association for possible discussion and/or possible solutions.
3. The board recommends that anyone in the Westminster community who may have this concern discuss their concerns with those offices which may have the most direct contact with the situation, so they can express their concerns. In this particular case, the concerns might be directed to the Student Activities Office.
4. The board will inform SGA of the concern that was raised with the My Voice program.
