2014-2015 Student Parking Regulations

Westminster students must register their motor vehicles at the Plant Operations Department (located at the corner of 7th Street & Hickman Avenue) within seventy-two (72) hours of arrival on campus. Upon registration, students will receive a parking permit which must be affixed and clearly visible on the inside bottom right of the front windshield. A $50.00 annual registration and parking fee is charged to the student account receivable at the rate of $25.00 per semester. Replacement and/or temporary permits are also available and obtained at Plant Operations.

Between 8:00 a.m. and 5:00 p.m., Monday through Friday, students are prohibited from parking in areas designated as Faculty/Staff Parking. Students will be held responsible for observing campus parking regulations and any parking fines regardless of who may drive the vehicle. Vehicles illegally parked or abandoned may be towed at the owner's expense. If a student receives more than three (3) tickets in a semester, the vehicle is subject to towing at the owner's expense. Students are encouraged to notify Campus Security at 573-592-5555 should they need to park their vehicle on campus for an extended period of time.

A student desiring to contest a parking violation must complete an online form at www.westminster-mo.edu/go/appeal within ten (10) days of the violation. Appeals made later than 10 days after the violation will not be considered. The schedule of fines for parking violations:

I will not have a vehicle in Fulton, Missouri during this academic year and request the $25 per semester parking fee be removed from my student account. I understand that should my status as a non-vehicle owner/operator change during the academic year, I will register my vehicle with the Plant Operations Department within seventy-two (72) hours of arrival and the $25 per semester parking fee will be reinstated. If I fail to do so, a $50 fine will be placed on my student account in addition to any issued parking tickets.
